

SUPPLEMENT TO FATUM'S ARTICLE ON SALAFI WOMEN MARRIAGE

To Whom It May Concern

I have read the article on marriage management among Salafi women in Yogyakarta, written by Fatum Abu Bakar and I think that the article is well written and well grounded. I believe that it contributes much to the existing studies on Salafism in general and Salafi women in particular. Based on this consideration, I recommend that it be published in a reputed journal like IJIMS.
