

RESEARCH INSTRUMENTS
**"BIOLOGY COLLEGE STUDENTS' PERCEPTION ABOUT INTEGRATION OF ISLAM AND
SCIENCE IN ISLAMIC UNIVERSITY"**

Assalamu 'alaikum warahmatullahi wabarakatuh

Introducing, I am Rizkia Suciati (NIM 170341965017), a student of the Postgraduate Doctoral program in Department of Biology Education, State University of Malang. I am asking the willingness to fill out this research instrument. Thank you

The filling instructions are as follows:

1. Fill in this instrument (Identity of the respondent and the questions) honestly.
2. Please select only one answer option. If there is no suitable answer, fill in the "other" section.
3. Give a reason or explanation for your choice of answer.
4. Read the questions carefully and take them seriously, because the results of this research will really help me in the next stage of research.
5. Your answers are confidential and confidential, and have no effect on your academic grades.

Wassalamualaikum warahmatullahi wabarakatuh

A. Respondent Identity

Name :
University :
NIM / Semester : /
